EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given by the attorney on page 11 of the "remarks" section of the most recent amendment (received on 10-10-2006).

The application has been amended as follows:

- Cancel claims 5-8, 13-14, and 21-25.

Allowable Subject Matter

2. Claims 26-33 are allowed.

3. The following is an examiner's statement of reasons for allowance:

- The claims are now in condition for allowability because the subject matter that was previously indicated as allowable has been put in independent form. Further, all the previously rejected claims have been cancelled. The previous rule 75 and 112(2) rejections to claims to claims 26 and 27 have been further considered and are withdrawn. With no outstanding rejections remaining, the claims are in condition for allowability.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
